NOTICE

State law requires that you be given the following information: CAUTION - PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Companies are registered and regulated by the Structural Pest Control Board, and apply pesticides that are registered and approved by the California Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks outweigh the benefits. The degree of risk depends upon the degree of exposure so exposure should be minimized.

If within 24 hours following application you experience symptoms similar to common seasonal illness comparable to the flu, contact your physician or poison control center and Dewey Pest Control immediately. (See reverse side for the telephone numbers) For further information, contact any of the following: Dewey Pest Control; for Health Questions - the County Health Department; for Application Information - the County Agricultural Commissioner and for Regulatory Information - the Structural Pest Control Board.
